Workshop and Ball held at the Masonic Friendship Center

The Masonic Friendship center is located
north of I-84 in the Hollywood District.
Look for a large, white building with a
statue of George Washington in the front,
one block north of Sandy, where Alameda
and 56th Ave. meet. Parking is on the
street or in the lot across the street.

Come join the fun!

We offer two levels of dancing for classes. The effectiveness of visiting workshop teachers is often hampered when the ability of dancers in a class is less than expected for that class. As a courtesy to our workshop teachers and fellow dancers consider your level of dancing when comparing it with the descriptions below. If you are not sure of which level you should dance, please ask your regular teacher.

Level 1: This level is for the less experienced dancer or someone who enjoys dancing at a less challenging level. Dancers should be able to dance a basic dance after walking it through from each position.

Level 2: For the more experienced dancer who has been dancing and attending classes regularly for at least two years and...

- Has attended at least one previous RSCDS workshop
- Has a working knowledge of ALL basic steps and common formations
- Has been learning more advanced formations
- Is able to dance a new dance with common figures competently after only one walk through
- Can correct own errors by the beginning of the next phrase.
