## Class Levels

We offer two levels of dancing for classes.  
The effectiveness of visiting workshop  
teachers is often hampered when the ability  
of dancers in a class is less than expected  
for that class. As a courtesy to our  
workshop teachers and fellow dancers  
consider your level of dancing when  
comparing it with the descriptions below.  
If you are not sure which level you should  
sign up for, please ask your regular teacher.

Level 1: This level is for the less experienced dancer  
or someone who enjoys dancing at a less  
challenging level. Dancers should be able to dance a  
basic dance after walking it through from each  
position.

Level 2: For the more experienced dancer who has  
been dancing and attending classes regularly for at  
least two years and...

- Has attended at least one previous RSCDS  
workshop
- Has a working knowledge of ALL basic  
steps and common formations
- Has been learning more advanced  
formations
- Is able to dance a new dance with common  
figures competently after only one walk  
through
- Can correct own errors by the beginning of  
the next phrase.
