(503) 281-6111 doubletree1.hilton.com

Many other hotels to choose from at the nearby
Convention Center and Lloyd Center.

Class Levels:

We offer two levels of dancing for classes.
The effectiveness of visiting workshop teachers is often hampered when the ability of dancers in a class is less than expected for that class. As a courtesy to the workshop teachers and fellow dancers, please consider your level of dancing when comparing it with the descriptions below. If you are not sure, please ask your regular teacher.

Level 1:

This level is for the less experienced dancer or someone who enjoys dancing at a less challenging level. Dancers should be able to dance a basic dance after walking through from each position.

Level 2:

For the more experienced dancer who has been dancing and attending classes regularly for at least two years and

- has attended at least one previous RSCDS workshop
- has a working knowledge of ALL basic steps and common figures
- is learning more advanced figures
- is able to dance a new dance with common figures competently after only one walkthrough
- can correct own errors by the beginning of the next phrase.

Remember your
water bottle!
